

HACKETTSTOWN SOFTBALL CAMP 2022

Monday July 18 - Thursday July 21st

9:00am-2:00pm

THE SOFTBALL PROGRAM

The Softball Program at Hackettstown High School is very passionate about our recreational and feeder programs. Our goal is to introduce the girls to the proper skills needed to create a strong and successful foundation for our future female athletes. We base our drills and education off of the many years of experience we have as a coaching staff. Camp registration is open to 3rd through incoming 9th graders.

CAMP STAFF

Head Varsity Coach James Berringer will be organizing/running the camp with the assistant coaches from the Tiger Softball Program. We will also include former and current Tiger Athletes who will complete our camp staff. Our camp staff relies on information and experience gained at NCAA College Coaching Conventions, former Division 1 college athletes, former National Pro Fastpitch (NPF) athletes, and many years contributed to coaching competitive travel softball with the involvement of college showcase exposure. Our overall goal is to deliver fundamental skills to our campers while building up their knowledge of game like situations!

PROGRAM AGENDA

- Overall skill and technique development
- Specific position training
- Fundamental offensive and defensive skills/drills
- Introduction to slapping/short game
- Team Bonding/The Mental Game
- Last half day of camp includes wiffle ball games, slip and slides, and many other exciting activities!
